# OUR STORY

## A CASE FOR ART EDUCATION

NASA's research found that 98% of 5-year-olds are natural 'creative geniuses.' However, by age 15, only 12% retain this high level of creativity, and by adulthood, just 2%. NASA concluded that traditional education and societal norms significantly suppress creative thinking. (Citation: George Land and Beth Jarman, Breakpoint and Beyond, 1993.)

## BEGINNING WITH AN AUDACIOUS VISION

In 2021, Pawan Mishra took a bold step, leaving a secure corporate career to launch the first Lune Spark center, named in honor of his father. His vision was to make quality art education accessible to all by establishing multiple Arts Centers where aspiring artists could ignite their creative spark. These centers would provide support from experienced teachers, offer a diverse range of classes, and feature state-of-the-art facilities—creating a nurturing environment where creativity could truly flourish.

## SERVING THE CREATIVE COMMUNITY SINCE 2022

Since 2022, Lune Spark has been North Carolina's premier destination for arts education. We empower future artists and visionaries through high-quality, affordable programs, grounded in the belief that creativity fosters a vibrant culture. Our commitments:

- Accessible and affordable arts programs
- Stable employment for artists

We serve creative minds—artists, dreamers, innovators, musicians, painters, authors, sculptors, dancers, performers, designers, future leaders, entrepreneurs, and mavericks.

Join Lune Spark and become part of a community that values creativity and innovation. Together, we'll make the creative difference our world needs.

## **Q: How does class registration work?**

A: Registering for a class online is easy and risk free!

1. Browse: Browse our offerings to find a class that interests you.
2. Choose: Select the day and time that fits your schedule.
3. Register: Secure your spot by paying a one-time, non-refundable \$25 registration fee.
4. Attend: Show up for your first class—you'll be placed on a monthly membership you can pause or cancel any time.
5. Continue or Cancel:
  - Continue: If you enjoyed your first class, we'll see you next week—same time, same place. Let's keep learning and discover something new!
  - Cancel: If you didn't enjoy your first class, your membership will be canceled, and you'll receive a full refund for that month's fee.

## **Q: For monthly class membership, can I terminate at any time?**

A: Yes, you can—just complete the month you've already paid for! There are no frustrating year-long contracts, penalties, or additional fees.

## **Q: Can I try out a class before committing?**

A: Yes, we offer a risk-free first class for new students. While your monthly membership is activated and charged before the first class, you can cancel it if you decide not to continue, and you'll receive a full refund.

## **Q: How do I know if I am a good fit for an ongoing class?**

A: When you attend your first class, your teacher will assess your skills to ensure the class is a good fit for you. If needed, the teacher may recommend an alternative class that better aligns with your skill level.

## **Q: Can I switch classes? Eg: from my Drawing class to Guitar class?**

A: You can switch to another active class at any time. Just let the front desk know, and we'll ensure a smooth transition to your new class.

## **Q: Do you help students build their portfolio? If yes, how so?**

A: Yes, let your teacher know, and they will assist in selecting portfolio works that you can use for both college applications and professional opportunities.

**Q: Can I register for more than one camp week?**

A: Yes, you can register for as many camps as you want. We offer a consistent structure week-to-week, with a wide variety of activities led by our camp instructors, providing campers a unique experience each time.

**Q: Camp Movies: When will you send the movie made in camp?**

A: We typically send an email with a link to the movie to all camp parents within 7 days. As we prioritize quality over speed, our professional edit can take a bit more time. Go to Lune Spark TV on YouTube to watch the movie when it's released!

<https://www.youtube.com/@lunespark>

**Q: Can I join a weekly camp mid-way through?**

A: Yes you can, as long as you are registering for 3 or more days. For 4 days you pay 85% of total, for 3 days you pay 70% of the total. To join a camp mid-way through, please call the front desk - they will send you an invoice and add you to the camp.
